

Product: DESK

Deck Glass is an extremely plain and simple version of the executive *Deck* designed by Jorge Pensi. The version has tops in glass that enhance the satin Nickel structure.

The wiring system goes through a specific technical compartment, located in the side drawer. *Deck Glass* can be used as a small rectangular or round H75 (29"1/2) table.

Deck Glass top and structure, as well as *Frame* storage units, are perfect for meeting or sharing work places in which different devices for online meeting are used.

**TECHNICAL FEATURES****Top:**

Glass: the tops are made with clear glass 15 mm (5/8) thick.

Back-lacquered etched glass.

Side compartment/drawers structure:

The structure is made of wood particles, Veneer or Time coated.
