

Product: ROUND - SQUARE TABLES

Altagama is a product designed for executive and meeting areas. The base consists of legs with 11 cm (4''3/8) width and 15 mm (5/8) thick profile that create a frame available in different finishes: anodized Steel Aluminium, matt Bronze and Pewter Quarz. Bases are connected with a 11 cm (4''3/8) thick modesty panel which can be used for cables management, accessible from a top access in leather or veneer. The tops can be in Veneer, Soft Leather, Time, Clear Glass and Back-lacquered etched glass. They can be combined, creating a unique mix of materials and colors. *Altagama* is an eclectic table available in square and round versions that can be used as meeting table. In the top there is a cable outlet.
