

Product: TASK DESK AND BENCH

Asterisco In is an integrated desks system, with different types of legs ("Portale" or "Cornice").

The two side legs are connected each other by metal beams that allow to interchange *Asterisco In* legs, creating a flexible system.

22 mm thick square tops are available in different finishes and dimensions.

The screen panel could be in fabric or glass with soundproof characteristics. Single and multiple desks as well as meeting tables are provided with electrification arrangement.

**TECHNICAL FEATURES**

Tops: tops are 22 mm thick (7/8") chipboard panels with anti-scratch and anti-reflect melamine surfaces; tops are edged in 2.5 mm thick PVC with radius on all edges. The tops are available in White Snow Laminate finish.

Return top: return top for task desk available in Melamine or White Snow laminate.

Legs: Arc welded metal structure powder coated in finish Titanium, Silver and UE White.

Available in the following versions:

- **Portale:** Portale legs have 5 (2") x 3 (1"1/8) cm section.
- **Cornice:** Cornice legs have 5 (2") x 3 (1"1/8) cm section.

Under-top structure: under-top beams have a section of 5 (2") x 3 (1"1/8) cm with an easy connection to the leg.

Bases structures: bases for task desks available in Melamine, with drawers or filing cabinet.

Modesty Panel (for single desk): available H30 or H60, in Melamine finish or covered with Time fabric.
