

Product: STORAGE UNITS SYSTEM

Workwall is a range of storage units for single or multiple workstations.

The 80 cm large and 45 cm depth base storage units are available with open front compartment, wing doors, drawer cabinets. Beside this item there are also a console module and a connector to link together the single desk or the bench with the storage unit.

All the base storage units can be combined with *E-Wall* hanging modules, that are fixed on the boiserie or directly on the wall.

TECHNICAL FEATURES

Base storage units structure, doors and fronts:

Base storage units structure, doors and fronts are made of wood particles in Sablè Lacquered or Veneer finish.

Storage units are combinable with P016 desk and benches. The Boiserie and its accessories are available in Sablè Lacquered or Veneer finish.

FINISHES

ELECTRIFICATION.

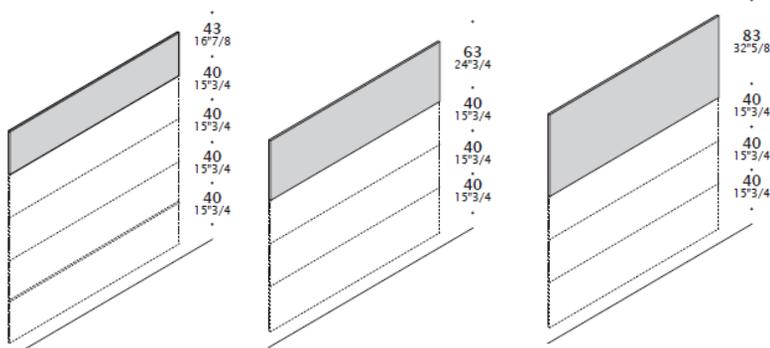

**BOISERIE- E-WALL SYSTEM
DIMENSIONS**

H40 (15³/₄) - H60 (23⁵/₈) - H80 (31¹/₂) base or intermediate panels for wall covering.

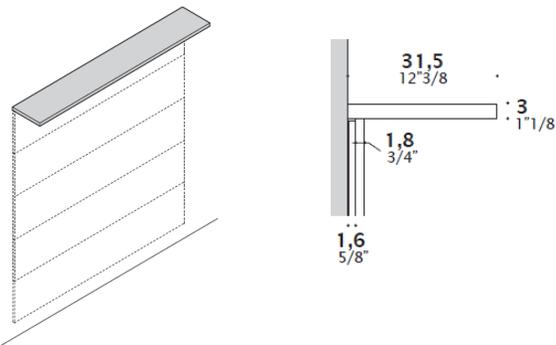

W 160 (63^{''}) - 240 (94^{''}1/2) - 320 (126^{''}).

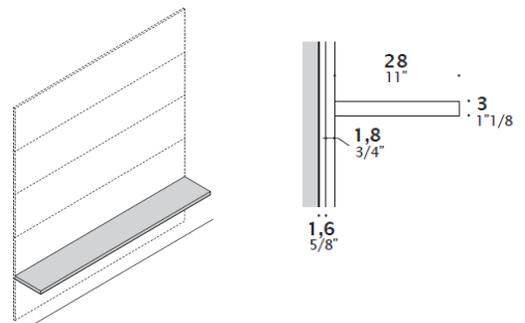

H43 (16⁷/₈) - H63 (24³/₄) - H83 (32⁵/₈) upper panels for wall covering.

Tops for Boiserie.

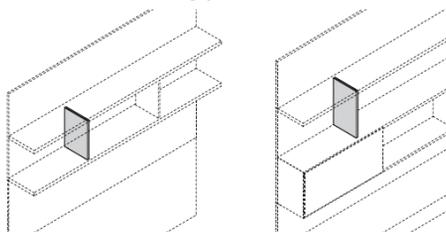

Upper closure top can be installed only on H40 (15³/₄) - H60 (23⁵/₈) - H80 (31¹/₂) Boiserie upper panels. It is not possible with H43 16⁷/₈) - H63 (24³/₄) - H83 (32⁵/₈) panels.

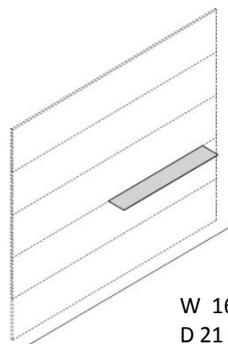

Shelves for Boiserie.

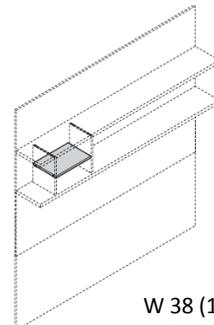

Shelves and dividing panels for Boiserie.

W 17 (6^{''}3/4) - 37 (14^{''}1/2)
D 25,5 (10^{''})
th. 18 mm (3/4)

W 160 (63^{''})
D 21 (8^{''}1/4)
th. 18 mm (3/4)

W 38 (15^{''})
D 25 (9^{''}7/8)
th. 18 mm (3/4)

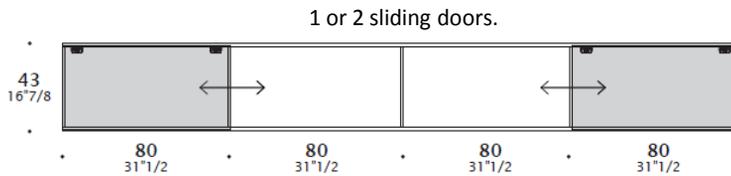

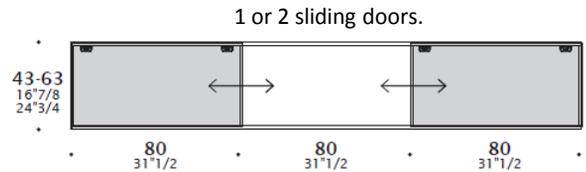

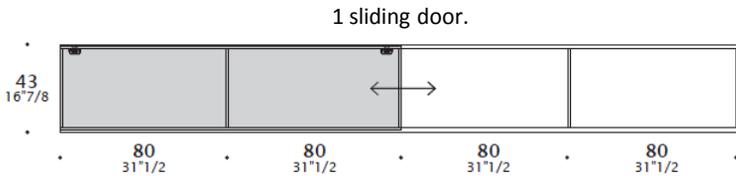

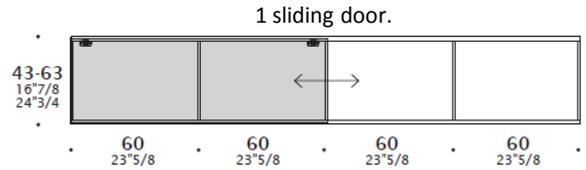

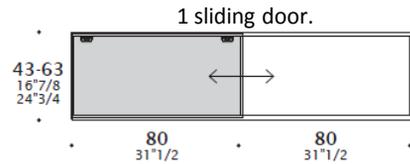

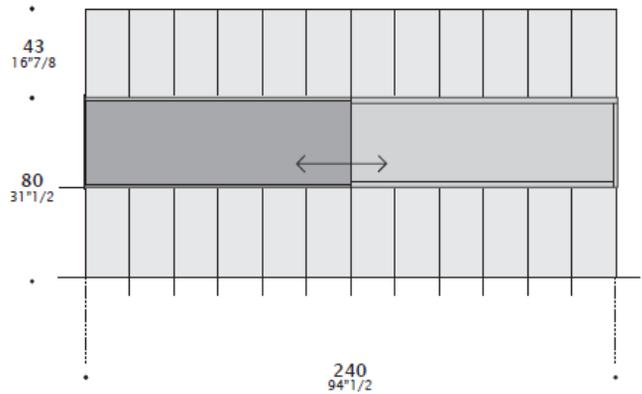

HANGING MODULES FOR BOISERIE - E-WALL SYSTEM

Hanging modules positioning for Boiserie.

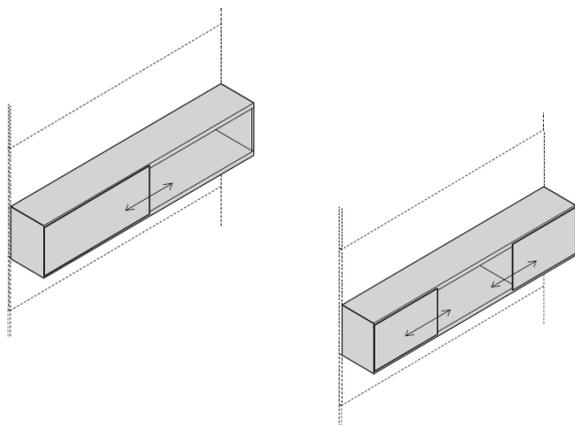

The hanging modules with sliding doors must be placed on the upper part of the wall covering at least every 20 cm (7''7/8) in height and width. They can be installed on panels H80 (31''1/2), H60 (23''5/8) or H40 (15''3/4) cm. Only H43 (16''7/8), H63 (24''3/4), H83 (32''5/8) superior panels are aligned with Boiserie; the top of the hanging modules, placed on base or intermediate panels, is 3 cm (1''1/8) higher than the panel itself, in order to allow alignment.

Hanging modules with hinged doors.

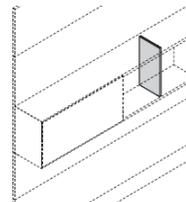

Hanging modules with sliding doors are quoted adding the price of the structure (available in Melamine, Sablè Lacquered or Veneer finish) to the price of the doors. Hanging modules can be installed with different combinations of doors following the drawings below. The maximum side for each door is equal to its width. Below are shown the combinations of hanging modules with sliding doors. Additional dividing panels can be placed at least every 20 cm (7''7/8).

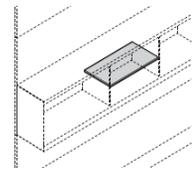

Doors composition examples.

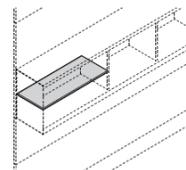

Hanging modules accessories.

Additional dividing panel.

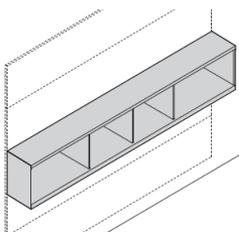

Additional shelf.

Additional shelf between side and dividing panels.
