C**FFICE**

ESTEL

IL COFFEE BREAK ENTRA IN UFFICIO

ESTEL con la propria cultura CASA&UFFICIO interpreta questo importante spazio con l'ISOLA CAFFÉ. Dalla semplicità della colonna lounge alla complessità del ristorante aziendale, attraverso un prodotto versatile e componibile quale il "MORE". Tavoli, pensili, basi, colonne, banconcini sgabelli e panche compongono un ambiente dal sapore domestico nel contesto lavorativo odierno, digitale e iperconnesso.

COFFEE BREAK JOINS OFFICE

ESTEL, with its historical background of HOME&OFFICE, interprets this important area of the workplace with ISOLA CAFFÉ. Ranging from the simplicity of the lounge column to the versatility of the company cafeteria, "MORE" offers a wide range of solutions thanks to its modularity and adaptability. Tables, kitchen cabinets, columns, high tables and counters, stools and benches create a domestic business environment, digital and hyper-connected yet cozy.

Buffet

Banco

Colonne

Banconcino

Pensili

BUFFET è un sistema innovativo composto da banco, pensili, mensole, colonne e pratici contenitori: una serie di utilities ideali per aree bar, caffetterie, self service o ristoranti. Il banco può essere liberamente attrezzato con contenitori, cestoni, cassetti e basi tecniche per l'alloggiamento di vari elettrodomestici. Il piano di lavoro e appoggio è idrorepellente ed è predisposto per l'inserimento di lavelli, miscelatori, piani di cottura ad induzione, multiprese a scomparsa

BUFFET includes a variety of high tables, hanging modules, shelves, columns and useful storage units that can be combined, creating different compositions for coffee-break, self-service and restaurant areas. The high table can be equipped with drawer cabinets, drawers and bases for appliances housing, with retractable multi-socket and top

o top access per l'alimentazione elettrica e la connessione alla rete. Frigoriferi a cassetto, sottopiano, forni a microonde, forni combinati, lavastoviglie, erogatori d'acqua e macchine per il caffè possono essere alloggiati nelle basi tecniche e nelle apposite colonne. L'integrazione di funzionali contenitori pensili e mensole a giorno consente di realizzare dal più semplice al più complesso spazio ristoro: bar - caffetteria - self service - ristoranti.

access. Water-resistant countertops is designed to safely house sinks and induction hobs. A wide range of appliances, including refrigerators, combi ovens, dishwashers, water dispensers and coffee machine are available along with hanging modules and open shelves to create a variety of set up for bar, cafeteria, self service areas and restaurants.

Ambiente Buffet, banco a parete con struttura in metallo verniciato o Luxury, pensile ad ante scorrevoli, colonne con elettrodomestici e banconcino H90 cm.

Buffet space high tables available in varnished or Luxury metal structure finish, hanging module with sliding door, high cabinets "columns" with appliances and high table H90 cm-35"3/8.

Isola Party

Isola Snack

Bancoquadro

ISOLA PARTY

Isola Party raccoglie numerose funzioni in un'unica composizione costruita attorno ad un grande tavolo More H90xP120 cm. La struttura è attrezzabile su entrambi i lati lunghi con basi ad anta o cestoni/cassetti estraibili e basi tecniche per l'inserimento degli elettrodomestici. Ai due lati è previsto un comodo tavolo/bancone H90 cm ideale per svariate attività: meeting, snack, pranzi

ISOLA PARTY consists of a large More table (H90 cm-35"3/8 x 120 cm-47"1/4) that can be used either as meeting or dining table or for coffee breaks and quick lunches. The central part can be equipped with sink, induction hobs, metal trays and a glazed screen panel and both sides of the structure can be furnished

veloci o sessioni di lavoro condiviso. Nel piano di lavoro centrale trovano spazio lavelli, piani cottura, vaschette multiuso ed un pannello divisorio in vetro. Connettività ed elettrificazione sono possibili attraverso il funzionale top access situato sul piano stesso. Isola Party, abbinata al Buffet a parete con colonne, può diventare una kitchen a tutti gli effetti, adatta anche all'arredo casa.

with hinged door storage bases, drawer cabinets or technical bases for appliances housing. Isola Party can also be provided with sockets and cabling system, easily accessible thanks to top access flap. Isola Party, combined with Buffet set ups, can become a fully equipped kitchen suitable also for domestic uses.

Isola Shop

ISOLA SNACK & SHOP

Accogliere, dimostrare, emozionare attorno ad un tavolo dove tutto è a portata di mano: Isola Snack&Shop offre più funzioni raccolte in un'unica composizione costruita attorno ad un grande tavolo More di H90xP140/160 cm. Il sistema è attrezzato per svolgere differenti attività: zona meeting, common area o zona break per snack e caffè. Uno schermo in vetro acidato segna il confine tra le due aree. Piccoli elettrodomestici

Several purposes in a single composition. A large More table (H90 cm-35"3/8 x 140 cm-55" 1/8 or 160 cm-63") customizable with different equipments and accessories to greet and entertain guests, illustrate and explain products and projects or just to relax. Meeting area on one side and snack area on the other are divided by an etched glazed screen. Small electrical appliances,

per caffè, dispenser d'acqua, piastre per cottura a induzione, lavelli con mix, frigo e forni compatti sono inseribili nella zona tecnica dove non mancano dispense ed ecoDrawer cabinet. Oltre a queste funzioni sono disponibili contenitori, cassettiere e vassoi pensati per soddisfare specifiche esigenze del mondo dell'arredamento, della progettazione e del commercio.

such as coffee machine, water dispenser, induction hob, sinks, fridges and compact oven can be added to the technical cabinets to enhance the product.
