

#### Article: BED

A bed with a soft look, tactilely and visually, given by the soft quilting with real down feathers that cover respectively, the headboard and the bedstead.

#### **TECHNICAL CHARACTERISTICS**

The weight bearing structure on which the wooden staves rest is realized in poplar and beech wood. The headboard and the mattress support padding are in density-differentiated polyurethane. The headboard is quilted with prime quality down feathers that have been sterilized, and treated to be hypoallergenic. The covering is removable in fabric and fixed in leather. Ample storage area measuring 160 and 180 cm beneath the staves. In the fixed version are available the following mattress dimensions: 160/180x200 and 193x203 cm high. Net and mattress are aside.
