

Product: SHARING TABLE BAOBAB

P016 Pianeti is a range of desks with Aluminium structure, that can be combined in single seat or multiple seats bench. The worktop, 25 mm thick (1"), has "Ergo" edges and it is available in different geometrical shapes. The *Baobab* sharing-meeting table completes the collection. Petals have LED touch lighting system.

TECHNICAL FEATURES

Leg and extrusion connector:

90° cross legs couple. Every leg consists of a symmetrical couple of die-cast solid profiles connected each other by an elliptical extrusion.

Legs have adjustable feet with non-slip rubber caps for support. They are available in the following finishes:

Glossy White Snow, Titanio, Chromed.

Elliptical extrusion connector available in the same finishes as the legs.

Under-top support structures:

40x20 mm Steel profiles, th. 2 mm, WHITE varnished (for Glossy White Snow legs structure) or TITANIO varnished (for Titanio or Chromed legs structure).

Structure junctions and connection elements:

Not visible, in die-cast Aluminium.

Tops:

G90 tops: tops are made in 25 mm thick (1") chipboard panels with antiscratch and anti-reflect melamine surfaces; tops are edged in 2,5 mm thick PVC.

Tops are also available in Laminate finish.

Ergo tops: tops are in 25 mm thick (1") chipboard panels with antiscratch and anti-reflect melamine surfaces; tops are edged in 2,5 mm thick PVC. Top available in White Snow, Fenix Laminated and Veneer finish.

Central column: the central column is always in Oak veneer.

Petals: petals are always in soundproof fabric with integrated LED.

Electrification:

Perforated under-top metal sheet with octagonal structure, placed in the central part of the table, with sockets.

FINISHES

Tops:

G90 Melamine: UE White, Silver, Titanio, Delavè, Comfort, Magnolia, Oak 2017, Eucalyptus, White Colour Fir.

G90 Laminate: White Snow.

Ergo Laminate: White Snow, White Fenix, Wood veneer.

Central column: wood veneer.

Petals: soundproof fabric with integrated LED (warm white - 30W/m).

Structures: Glossy White Snow, matt Titanio, Chromed.

SHARING - MEETING tables: worktop H 75 cm (29''1/2)

Φ 160 - 200
(Φ 63'' - 78''3/4 - 94''1/2)

In Φ 160- 200 versions the holes for sockets are NOT included.
On request, hole and socket integration available with a surcharge.

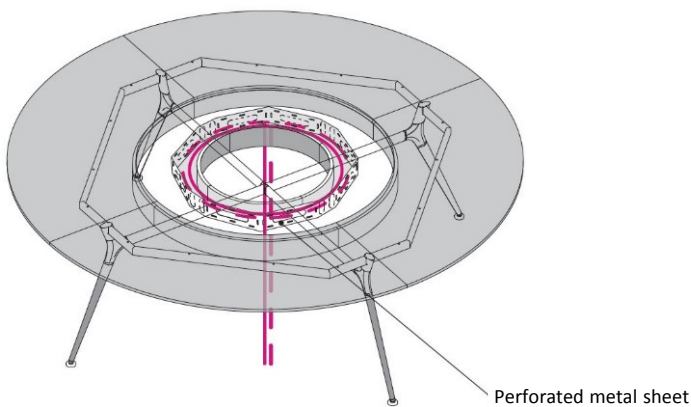

Baobab Φ 240
(Φ 94''1/2)

The central column is always in Oak veneer and the petals are always in soundproof fabric with integrated LED.

ELECTRIFICATION

The top electrification is realized through a circular access between the two top parts, which allows the access to the perforated metal sheet for cable tray and sockets housing. Earthing is made through a groove in the central column.
