

Product: LITTLE TABLE

Sanmarino table H105 is made with veneer wooden planks and equipped with electrification along the centered leg. The leg works as cable management, leaving the space under the top available for comfortably seat.

Sanmarino table family - inspired by Art Deco of 30s - includes a desk, a table and a high table version. Designed with a particularly stable foot, the top is available both in square or round shape in wood veneer planks or Vintage Oak planks.
