

Sanmarino

Design by Estel R&D

A thick antique solid wood or oak veneer table, equipped with electrification along the wooden side. The solid and centered legs, functioning as cable management, leave the space under the top free, thus not interfering with seating space.

TECHNICAL FEATURES

Structure

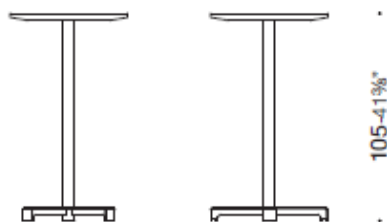

Structure is in White Snow or Carbon Glacé powder coated metal.

Top

Tops are made in veneer Fir stained White, Natural Oak, American Walnut wooden planks or Vintage Oak planks.
