

CONTAINER BOX - SEAT

Small storage unit with double function: a container with hinged door and a service stool with a cushion.
 Chair Box is a practical container for personal items, placed on the desk, and it allows visitors or colleagues to enjoy a comfortable chair. The door lock is available as an optional.
 Dimensions of Chair Box (32x32xH47 cm - 4,8 Kg) allow to easily place it inside the compartments of Lockers containers.
 Also available is the "Vallet" version (dimensions 28x25xH46 cm) that allows to be placed inside Joint & Top Fly containers.

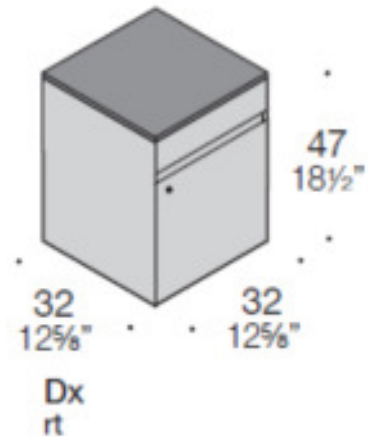

TECHNICAL CHARACTERISTICS

Wooden Structure in plywood , with 45° joints on the edges.
 Integrated handle-grip . Cushion in fabric.

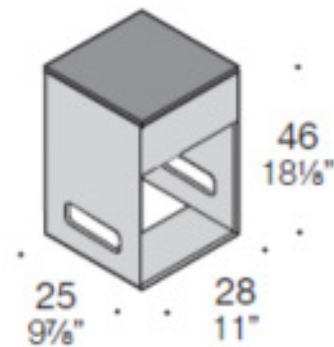

FINISHES

Birch Plywood or White Snow Sablè Lacquered.
 Other finishes are available on request.

Cushion: Smart Office - Fabric cat. B, F, G, L.
