

WOODEN PEDESTALS

The new pedestals have been re-designed according to the design details of "Deck" Storage units: top and base of high thickness, 45° cuts on joints of structural panels and fronts, integrated handles. All pedestals are supplied with castors; all items are available in two different heights (50 cm - 19⁵/₈" and 65 cm - 25⁵/₈") and are available in two versions: with drawers and/or with filing cabinet.

TECHNICAL FEATURES

Structure – Drawer Fronts: structure made of chipboard panels with a thickness of 18 mm (sides, top, bottom, drawer fronts) or 12 mm (backs).

Drawers: internal structure entirely in Light Grey melamine; integrated handle on fronts.

FINISHES

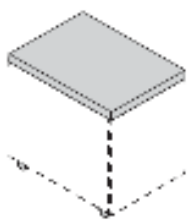

Melamine: White Snow UE, Comfort, Delavè, Eucalyptus, Magnolia, Oak 2017 , Silver. Titanium, Fir Coloured White.

Sablè Lacquered: various colours as per sample collection.

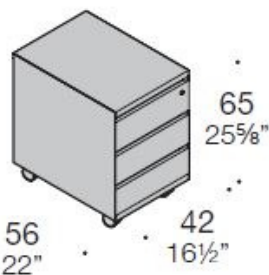

Wood Veneer: Magnolia, Fir coloured White, Oak Cloud, Natural Oak 2016, Oak painted black, Oak painted Grey, Ebony, Eucalyptus, Natural Eucalyptus, American Walnut, Wengè, Zebrano Brown.

It is possible to combine different finishes for the structure and front of drawers.
