

Credenze

Design by Estel R&D

The Credenze system is made up of several containers suitable for managerial or prestigious reception spaces. They have an original and light design with 30 mm (1"1/8) thickness, TV stand and monitor. All sideboards can be combined with E-Wall Boiserie.

All the elements rest on the metal base in Carbon Glacé or Luxury metal painted finish.

TECHNICAL FEATURES

Structure and fronts

Structure made of particle panels available in Sablè Lacquered or Veneer finish.

Base

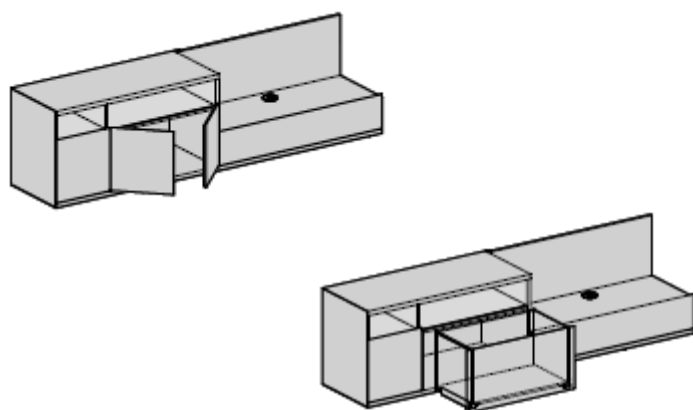

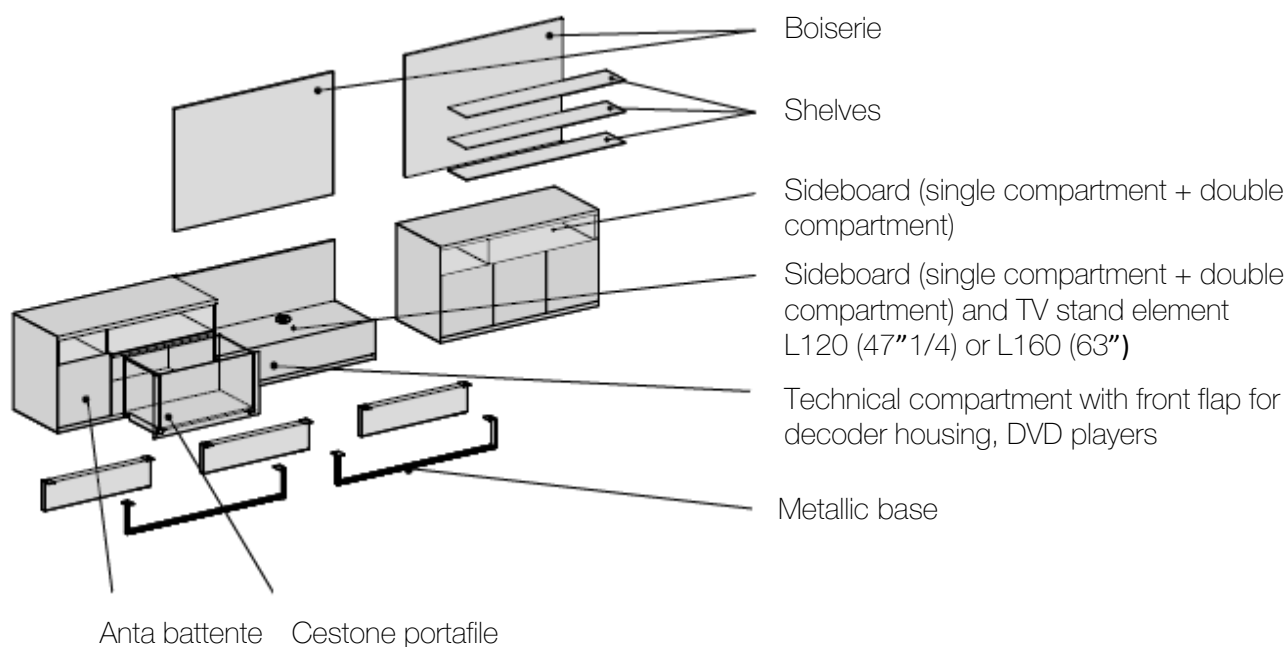

Base made of metal structure in matt Carbon Glacé painted Metal or Luxury Metal finish.

Boiserie and accessories

La Boiserie and its accessories are available in Sablè Lacquered or Veneer finishes.

All sideboards can be equipped with a basket.

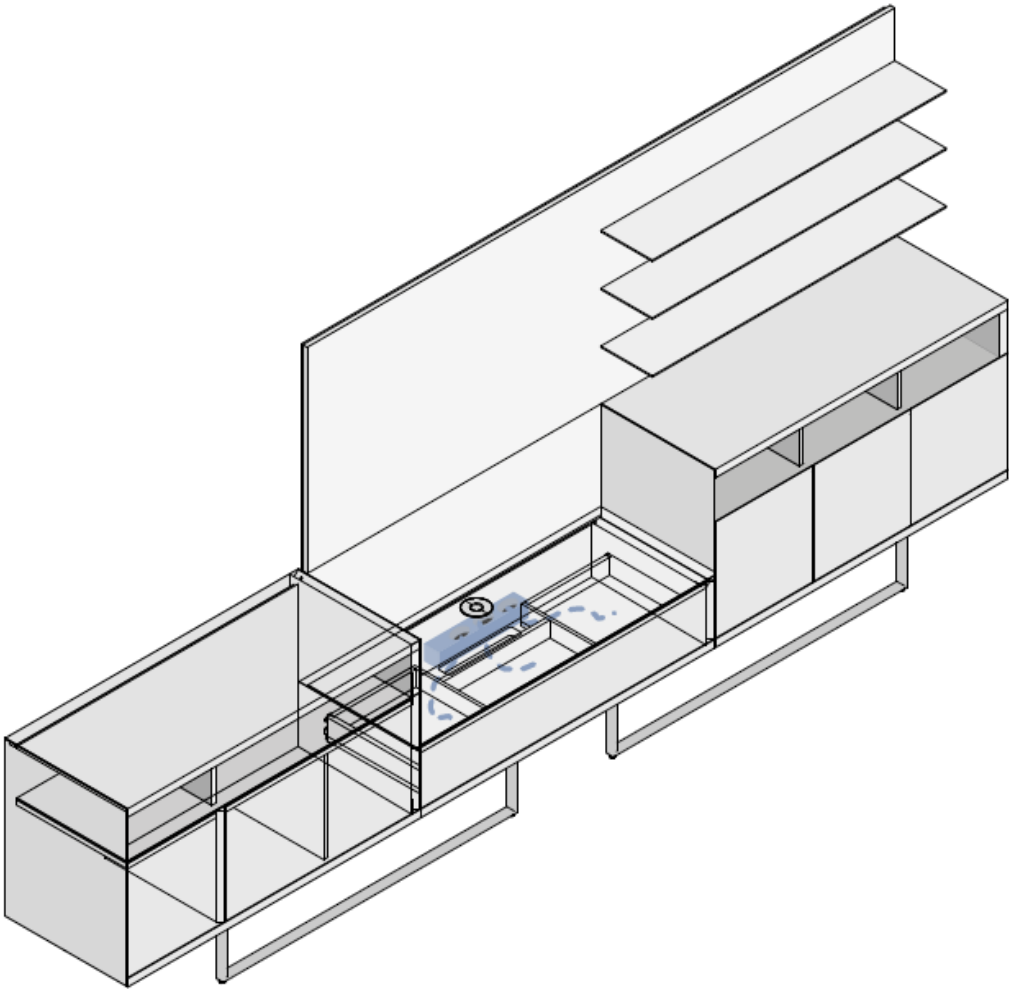

TECHNICAL FEATURES

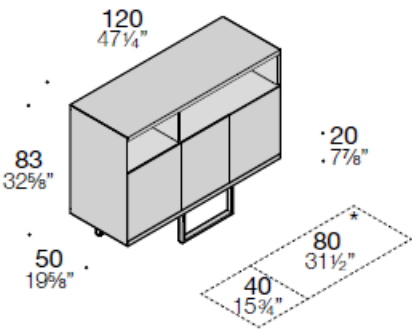

The double compartment L80 (31"1/2) can be closed by two hinged doors or by an extractable file basket. The single compartment L40 (15"3/4) can only be closed by a swing door.

The surface of the lowered TV stand element can be in Ceramic, as well as the shelf in the open area; quote on request. Each compartment can be equipped with a lock.

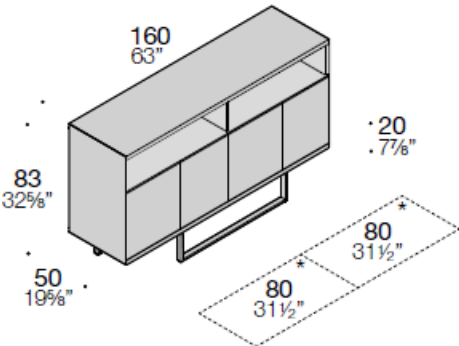

ELECTRIFICATION
