

## PERSONALE STORAGE MODULAR UNIT

Storage units are made in chipboard panels, with top and base thickness of 30 mm, back and doors thickness of 18 mm.

All doors are equipped with a key-lock; mechanical code locks and RFID badge locks are available on request.

Lockers have a depth of 55 cm: a *Chair Box* (cm 32x32xH47-4,8 Kg) can be placed inside the lockers. The small box can be used near the desk, as a chair or a container/pedestal.

“Changing room” modules are equipped internally with a cloth-hook and a shelf.

## FINISHES

Structure and hinged doors are available in Melamine or Sablè Lacquered finishes, that can be combined with several finishes.

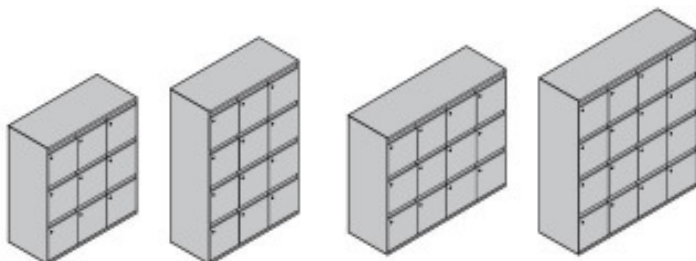

**Melamine:** White UE, White Snow, Silver, Titanium, Magnolia, Fir Colour White, Delavè, Comfort, Oak 2017, Eucalyptus.

**Sablè Lacquered:** White Snow, White UE, White cream, Powder, Cord, Yellow Pastel, Yellow Mustard, Yellow Ocher, Orange, Red Coral, Red Alpha, Melograno (Pomegranate), Marsala, Fard (Blusher), Wisteria, Avio, Turquoise, Light Blue, Blue Ink, Green Olive, Green Wood, Tobacco, Grey Pearl, Grey Sage, Comfort, Mud, Silver, Titanium, Steel, Brown, Black.
