

# Chair Shell

Design by Claus Breinholt

A single-body chair in white, blue and black polypropylene. Chair Loop is a family of large-size seats, which can furnish different functional areas: from break to waiting rooms, from meeting spaces to lounges.

## TECHNICAL FEATURES

### Shell

Shell in polypropylene, available in different colours: white, light blue, black.

### Base

- Cantilever base in steel wire with diam. 10 mm, powder coated or chromed;
- 4-leg wooden base in natural solid oak wood or black painted;
- 4-leg base in metal pipe with diam. 15 mm;
- 5-star base in polished or powder coated aluminum, with self-braking, hard or soft rubber, swivel castors. It is available also with feet.
