

Saint Barth

Design by Stefano Gallizioli

Saint Barth is a family comprising armchair, 2-seater sofa and 3-seater sofa, with soft and rounded shapes elevated by a metal structure. The upholstery ranged from fabric to leather, giving personality to the interior to furnish.

TECHNICAL FEATURES

Structure

Seats internal structure is made in fir solid wood and poplar plywood, with elastic band suspensions; seats are assembled with an iron frame and with the base. Backrests are in fir solid and poplar plywood too and are fixed to the structure by bayonet fittings.

Padding

Seats and backrests padding is in expanded polyurethane with different density. Backrests cushions are 65% made by high quality feather and 35% made by polymer fiber.

Upholstery

Fabrics cat. B-F-G-L, leather, extra leather.

Base

Base is in chromed or carbon glacé powder coated metal.
